Our Story

In 1968, Grandpa Sal opened up his first pizzeria called Riccardo's in Brooklyn, NY. Five years later, he moved his family to Willingboro, NJ & introduced Riccardo's to South Jersey. Riccardo's became a household name within a couple of years & eventually grew to become 15 locations. Following in their father's footsteps, my father & uncles established their own chain of pizzerias called Angelo's Pizza. Today Angelo's has grown to become 3 locations (1 in Riverside, NJ & 2 in Mount Laurel, NJ) & like Riccardo's, built its reputation on its great pizza. As a 3rd generation operator, I too have decided to follow in my family's footsteps & bring the name Angelo's & our renowned pizza to Berlin, NJ making it our 4th location. Family traditions & memories are built around pizza, that's why it's important to my family & me to provide a quality pizza. We believe pizza is more than just pizza, it is something that can be enjoyed from generation to generation giving family & friends a reason to get together.

Please enjoy the taste of my family's pastime with yours at the dinner table or come join us at ours!

Buon Appetito! -Sal
